ALDRIDGE NURSERY
VON ARMY, TEXAS

GENERAL ORNAMENTALS

Including Broadleaf, Deciduous and Coniferous Shrubs

Container and Field Grown

ABELIA GRANDIFLORA, Glossy Abelia

Graceful evergreen shrub. Bronzy foliage, arching branches with dainty white, bell-shaped flowers. Very hardy, blooms all summer.

1 Gallon.....\$.60

ADINO RUBELLA, Bronze Adino

Attractive deciduous shrub having foliage somewhat similar to that of Abelia. Round ball-like flowers of a lavender shade add to its beauty all summer. Responds very readily to shearing.

5 Gallon.....\$1.50

AGAPANTHUS AFRICANUS, Lily of the Nile

An excellent perennial plant with dark green lily-like foliage. Produces tall spikes of blue, bell-shaped flowers in rounded heads.

1 Gallon.....\$.60

AGAVE AMERICANA, Century Plant

Common, wide leaved type having an attractive bluish-green color. Throws up a tall heavy flower spike. Will thrive under the most adverse conditions. Useful in mass plantings, parks, roadsides and gardens.

1 Gallon.....\$.60

ALLAMANDA, Double Yellow

Medium, willowy leaves of shining dark green. Lovely double yellow blossoms two to three inches across. Grows well in both shade and sun.

1 Gallon.....\$.60

ALLAMANDA HENDERSONII, Cup of Gold

Evergreen shrub or vine. Large dark green, shiny leaves. Outstanding when in bloom, flowers being a deep golden yellow, trumpet shaped, about four inches across. Being tender must be protected from cold weather.

1 Gallon.....\$.60

ANTIGONON LEPTOPUS, Queen's Wreath

A very popular and showy vine, rapid growing with neat green foliage. Produces masses of beautiful rosy-pink flowers.

2½ in. Pots.....	\$.12
1 Gallon, Staked.....	.60

BAMBUSA FALCATA, Dwarf Bamboo

Excellent evergreen Bamboo for individual, hedge, fence and screen plantings. Reaches a height of twelve feet. Not as rank a grower as other types of Bamboo.

1 Gallon.....	\$.60
5 to 6 ft. B&B.....	2.00

BAMBUSA FALCATA NANA, Dwarf Bamboo

Quite similar to the Falcata but clothed with a denser, finer growth of foliage. This variety responds very nicely to shearing and is well adapted to intermediate hedging. Very attractive as an individual planting as well.

1 Gallon.....	\$.60
18 to 24 in. B&B.....	1.00
24 to 30 in. B&B.....	1.25
30 to 36 in. B&B.....	1.50

BIGNONIA VIOLACEA, Lavender Trumpet Vine

An attractive evergreen climbing vine suitable for sun or shade planting. Light lavender trumpet-like flowers profusely produced in Spring and Summer.

1 Gallon.....	\$.60
---------------	--------

Dwarf Bamboo

Goldspire A.V.

Gold Cone A.V.

BIOTA AUREA CONICA, Gold Cone Arbor-Vitae

A dense, compact grower. One of the most brilliant and uniform colored golden arbor-vitae available.

12 to 15 in. B&B.....	\$1.00
15 to 18 in. B&B.....	1.25
18 to 24 in. B&B.....	1.50
24 to 30 in. B&B.....	2.00

BIOTA AUREA CONSPICUA, Goldspire A. V.

Loose, open growing type of pyramidal habit. Foliage light green tipped with a golden variegation. Attractive, hardy sort.

18 to 24 in. B&B.....	\$1.00
24 to 30 in. B&B.....	1.25
30 to 36 in. B&B.....	1.50

Berckman A.V.

BIOTA AUREA NANA, Berckman Golden Arbor-Vitae

Most popular dwarf arbor-vitae. Dwarf, compact and very symmetrical in growth. Pyramidal in shape with green foliage tipped golden yellow the year around.

15 to 18 in. B&B.....	\$1.00
18 to 24 in. B&B.....	1.25
24 to 30 in. B&B.....	1.50
30 to 36 in. B&B.....	1.75

BIOTA BAKERI, Baker Arbor-Vitae

Very popular pyramidal arbor-vitae having pleasant light green foliage. Widely used as a taller accent conifer. Does well in most localities.

24 to 30 in. B&B.....	\$1.00
30 to 36 in. B&B.....	1.25
3 to 4 ft. B&B.....	1.50

Close-up view of a Berckman Arbor-Vitae as pictured in field view at left. We have a large stock of Arbor-Vitae in a good assortment of varieties.

BIOTA BLUESPIRE, Bluespire Arbor-Vitae

Pyramidal growing type with dark green foliage that has a slight bluish effect on the tips. Very hardy.

24 to 30 in. B&B.....	\$1.00
30 to 36 in. B&B.....	1.25
3 to 4 ft. B&B.....	1.50
4 to 5 ft. B&B.....	2.00

Please forward your orders a few days before delivery. This will enable us to select better stock and insure delivery when you want it.

Baker A.V.

Bluespire A.V.

Green Cone A.V.

BIOTA EXCELSA, Excelsa Arbor-Vitae

Pyramidal conifer of compact deep green foliage. Very valuable for landscaping and accent planting being one of the best in the pyramidal class.

24 to 30 in. B&B.....	\$1.00
30 to 36 in. B&B.....	1.25
3 to 4 ft. B&B.....	1.50

BIOTA GREEN CONE, Green Cone Arbor-Vitae

An upright growing arbor-vitae somewhat similar to Upright Bonita. Its neat, compact foliage is dark green in color. Does well in hot, dry locations. We offer an excellent supply of beautiful plants this year.

15 to 18 in. B&B.....	\$1.00
18 to 24 in. B&B.....	1.25

BOUGAINVILLEA, AFTERGLOW

Rapid growing, hardy variety producing large multi-color flower-bracts at an early age. The bronze colored flower bracts, as they age, turn to salmon and pink shades, making a beautiful sight.

1 Gallon.....\$.60

BOUGAINVILLEA, AMERICANA

An especially vigorous growing Bougainvillea with large leaves and coarse branches. Produces large bright red flower bracts.

1 Gallon.....\$.60

BOUGAINVILLEA, BARBARA KARST

Large flowering brilliant red Bougainvillea. One of the better and most popular. Blooms at an early age.

1 Gallon.....\$.60

BOUGAINVILLEA, PANAMA PINK

A good free-blooming sort of vigorous habit. Produces large clusters of beautiful light pink flower-bracts.

1 Gallon.....\$.60

BOUGAINVILLEA, SANDERIANA

Popular free blooming variety of vigorous growth. Deep purple bracts produced in profusion. Dark green foliage, dense habit of growth.

1 Gallon.....\$.60

BOUGAINVILLEA, TEMPLE FIRE

A low growing, compact, bush type of Bougainvillea. Free blooming, producing deep red flower bracts continually during warm months.

1 Gallon.....\$.60

Pfitzer Juniper

Myer Lemon

Cuphea

Neanthe Bella Palm

Boxwood

BUDDLEIA, Butterfly Bush

Ornamental woody shrubs chiefly grown for their handsome flowers produced abundantly in showy spikes. They grow best in a sunny place with good drainage. Deciduous. We have the following better varieties available:

BURGANDY—A dark wine colored Buddleia with uniform large spikes. Good vigorous grower.

18 to 24 in. B&B.....	\$.75
24 to 30 in. B&B.....	1.00

ORCHID BEAUTY—Light orchid flowers produced in abundance. A pleasing contrast with the green foliage.

18 to 24 in. B&B.....	\$.75
24 to 30 in. B&B.....	1.00

ILE DE FRANCE—One of the most popular. Vigorous grower producing masses of rich reddish-purple spikes.

18 to 24 in. B&B.....	\$.75
24 to 30 in. B&B.....	1.00

PINK CHARMING—Lavender-pink blooms produced in profusion. Excellent cut flower variety.

18 to 24 in. B&B.....	\$.75
24 to 30 in. B&B.....	1.00

WHITE CLOUD—A medium grower producing white spikes in profusion. One of the best whites, spikes about eight inches in length.

18 to 24 in. B&B.....	\$.75
24 to 30 in. B&B.....	1.00

Buxus Japonica

BUXUS HARLANDI, Korean Boxwood

Compact growing evergreen boxwood having oblong shaped leaves. Neat, dark green plant ideal for hedge or specimen plantings.

1 Gallon.....	\$.60
10 to 12 in. B&B.....	.75

BUXUS JAPONICA, Japanese Boxwood

Evergreen shrub of compact growth. Small green foliage. Responds excellently to shearing.

1 Gallon.....	\$.60
10 to 12 in. B&B.....	.75
12 to 15 in. B&B.....	1.00
15 to 18 in. B&B.....	1.25

BUXUS SEMPERVIRENS, English Boxwood

Slow growing compact evergreen shrub. Small dark green leaves envelope the plant fully. This variety will take more cold than the Japonica.

1 Gallon.....	\$.60
10 to 12 in. B&B.....	1.00
12 to 15 in. B&B.....	1.25

CALADIUM ESCULENTUM, Elephant Ear

Tuberous plant having large thick stems and dark green leaves. Planted chiefly outdoors for summer display. In most areas may be wintered over safely in the ground or bulbs may be dug and stored until spring.

1 Gallon.....	\$.50
---------------	--------

CALLISTEMON LANCEOLATUS, Bottlebrush

Free blooming variety having bronze to light green colored foliage. Hardy, drought resistant, evergreen shrub.

1 Gallon.....	\$.60
18 to 24 in. B&B.....	1.25

CARISSA GRANDIFLORA PROSTRATA, Prostrate Natal Plum

Medium size, low spreading evergreen shrub with rounded dark green glossy foliage. Fragrant, waxy white flowers decorate the plant nicely. Bright red edible fruit adds to its beauty. Plant in full sun. Protect from cold in areas where temperatures go below twenty-four degrees.

1 Gallon.....	\$.60
15 to 18 in. B&B.....	1.00

Cotoneaster Parnayi

Pampas Grass

Bottlebrush

CARISSA GRANDIFLORA TUTTLEI, Compact Natal Plum

Smaller foliage than the preceeding with a more dense habit of growth. Dark green foliage is outstanding.

1 Gallon.....\$.60

CASSIA ALATA, Emperor Candlestick

Tropical shrub or small tree with large bright green foliage. It produces quantities of large golden-yellow flowers arranged like candelabras in the fall.

1 Gallon.....\$.60

Nothing Sold At Retail

CESTRUM PARQUI, Night Blooming Jasmine

Medium growing shrub with light green foliage. Produces tubular creamy yellow blossoms which are very fragrant at night; the only time the flowers are open.

1 Gallon.....\$.60

CODIAEUM, Croton

Crotons are prized chiefly for the varied and brilliant coloring of the leaves. There are many forms of handsome and odd foliage. They are tender and should be kept indoors. We offer a good assortment of well colored plants.

1 Gallon.....\$.75

CORTADERIA ARGENTEA, Pampas Grass

Extremely hardy plant of wiry grass-like foliage producing beautiful white plumes.

1 Gallon.....	\$.60
30 to 36 in. B&B.....	1.00
3 to 4 ft. B&B.....	1.50
4 to 5 ft. B&B.....	2.00

Pampas Grass

Pictured above is a field view of a portion of our excellent stock of this popular item.

A superior strain, exemplified by short bloom stalks and extra large, fluffy plumes of a beautiful silvery-white. This type shows less browning during the winter months as well.

Pictured at right is an average sample of the one gallon size plants of which we have thousands. Another item available in our famous Better Quality - Better Value.

PLEASE NOTE: All prices in this catalog are based on a minimum of ten each. On quantities less than this minimum please add twenty percent to your order.

COTONEASTER PANNOSA, Silver Leaf Cotoneaster

Tall graceful shrub attractively clothed with small silvery-gray leaves. Clusters of white flowers in spring followed by bright red berries in the fall and winter. Very hardy, growing well in most areas. Will stand more cold than Parnayi.

1 Gallon.....	\$.60
5 Gallon.....	1.50

COTONEASTER PARNAYI, Red Clusterberry

Evergreen shrub with deep green, luxuriant foliage. Large clusters of brilliant red berries borne in profusion. An excellent landscape plant doing well in all locations.

1 Gallon.....	\$.60
5 Gallon.....	1.50

CRYPTOMERIA JAPONICA, Japanese Cypress

Ornamental evergreen with handsome habit and foliage. Resembles the Norfolk Island Pine and is sometimes used in pots. It is very hardy, turning a plum color during the winter months.

3 in. Pots.....	\$.30
1 Gallon.....	.75

CUPHEA HYSSOPIFOLIA PURPUREA

Small, dense growing tropical shrub similar in appearance to Compact Myrtle. Tiny green leaves crowned with small tubular purplish flowers all summer.

1 Gallon.....	\$.60
---------------	--------

CUPHEA HYSSOPIFOLIA RUBRA

Same small evergreen shrub described above except producing rosy-red blossoms.

1 Gallon.....	\$.60
---------------	--------

CUPRESSUS ARIZONICA, Arizona Cypress

Tall pyramidal conifer with silvery-gray foliage. Very hardy and fast growing.

1 Gallon.....	\$.60
2 to 3 ft. B&B.....	1.00
3 to 4 ft. B&B.....	1.25
4 to 5 ft. B&B.....	1.50
5 to 6 ft. B&B.....	2.00

CUPRESSUS SEMPERVIRENS HORIZONTALIS, Italian Cypress

A seedling form having horizontal branches and a pyramidal habit of growth rather than columnar. Attractive light green foliage. Branches spaced rather widely apart making a useful unique appearance.

2 to 3 ft. B&B.....	\$1.00
3 to 4 ft. B&B.....	1.25
4 to 5 ft. B&B.....	1.50
5 to 6 ft. B&B.....	2.00

CUPRESSUS SEMPERVIRENS GLAUCA, Italian Cypress

Conifer making tall narrow column. This type has bluish-green foliage. Cutting grown, insuring true type.

1 Gallon.....	\$.60
3 to 4 ft. B&B.....	2.00
4 to 5 ft. B&B.....	2.50
5 to 6 ft. B&B.....	3.00
6 to 7 ft. B&B.....	3.50

CUPRESSUS SEMPERVIRENS WORTHIANA, Worthiana Italian Cypress

Symmetrical narrow column having bright green foliage. Larger and more rapid growing than Glauca listed above. Keeps its attractive shape even after attaining considerable size.

1 Gallon.....	\$.60
---------------	--------

Sotol

CYDONIA JAPONICA RUBRA, Flowering Quince

Deciduous shrub having glossy-green foliage producing bright red flowers in early spring. This is the true upright red variety. Very hardy.

18 to 24 in. B&B.....	\$.75
24 to 30 in. B&B.....	1.00

DASYLIRION TEXANUM, Sotol

Short trunked plant with light green narrow leaves forming a Yucca-like crown or head. Produces tall flower spikes, greenish-white in color, that are very striking. A highly ornamental plant adaptable to a wide range of use and area of growth.

1 Gallon.....	\$.60
2 to 3 ft. B&B.....	1.00

Elaeagnus

DURANTA PLUMIERI, Blue Duranta

A large growing shrub producing large quantities of light blue flowers during the Spring and Summer months followed by clusters of yellow berries in early Fall.

5 Gallon.....	\$1.50
---------------	--------

ELAEAGNUS FRUITLANDI, Fruitland Silverberry

Highly ornamental shrub with handsome silvery foliage larger than that of Simoni. Will grow in most any soil and prefers planting in full sun. Responds nicely to pruning and shearing.

1 Gallon.....	\$.60
24 to 30 in. B&B.....	1.25
30 to 36 in. B&B.....	1.50
3 to 4 ft. B&B.....	2.00

ELAEAGNUS SIMONI, Silverberry

Hardy evergreen shrub well suited for foundation and hedge uses. Medium sized leaves have a frosty appearance with brownish specks on top; silvery beneath.

24 to 30 in. B&B.....	\$1.25
30 to 36 in. B&B.....	1.50
3 to 4 ft. B&B.....	2.00

ERIOBOTRYA JAPONICA, Loquat

Small to medium size shrub or tree with large, dark green leaves, tropical in appearance. Bears pear-shaped edible yellow fruits. Commonly referred to as Japanese Plum.

1 Gallon.....	\$.60
5 Gallon.....	1.50
18 to 24 in. B&B.....	1.00
24 to 30 in. B&B.....	1.10
30 to 36 in. B&B.....	1.25
3 to 4 ft. B&B.....	1.50
4 to 5 ft. B&B.....	2.00
5 to 6 ft. B&B.....	2.50

Loquat

PLEASE NOTE: All prices in this catalog are based on a minimum of ten each. On quantities less than this minimum please add twenty percent to your order.

EUONYMOUS JAPONICA, Green Euonymous

A very popular evergreen shrub of moderate size with rounded, glossy, dark green leaves. Will stand shearing well. Hardy under most conditions.

15 to 18 in. B&B.....	\$.80
18 to 24 in. B&B.....	1.00
24 to 30 in. B&B.....	1.25
30 to 36 in. B&B.....	1.50

EUONYMOUS JAPONICA ALBA MARGINATA, Silver Edge Euonymous

Attractive evergreen shrub, having small, pointed to rounded leaves, grey-green in color with silver edging. Grows more dense than the common green, upright habit of growth.

1 Gallon.....	\$.60
15 to 18 in. B&B.....	1.00
18 to 24 in. B&B.....	1.25

EUONYMOUS JAPONICA AUREO VARIEGATA, Gold Spot Euonymous

Medium sized shrub having foliage with bright yellow centers and dark green margins. Somewhat formal in growth. Very popular.

12 to 15 in. B&B.....	\$1.00
15 to 18 in. B&B.....	1.25
18 to 24 in. B&B.....	1.50

EUONYMOUS JAPONICA PULCHELLA, Dwarf Euonymous

Small dark green leaves, dwarf compact growth. Excellent as a small hedge, planter, or edging plant. Hardy, slow growing.

8 to 10 in. B&B.....	\$1.00
----------------------	--------

FATSHEDERA LIZEI, Botanical Wonder

Large glossy Hedera type leaves. Semi-climbing evergreen best suited for shade planting.

1 Gallon.....\$.60

FATSHEDERA LIZEI VARIEGATA, Variegated Fatshedera

A variegated form of Fatshedera having silvery or white variegations on the leaves. A very nice plant.

1 Gallon.....\$.75

FEIJOA SELLOWIANA, Pineapple Guava

Vigorous growing evergreen shrub with gray-green foliage. Waxy white flowers with attractive red stamens. Pale green edible fruits. Hardy.

5 Gallon.....\$1.50

18 to 24 in. B&B.....1.50

FERN

Ornamental plant of numerous species adapted to indoor and outdoor planting. They thrive best in moist shady locations. We grow and maintain a good supply of the following species available during most of the year with the exception of the winter months:

ASPARAGUS PLUMOSUS, Lace Fern

A fine feathery fern-leaved plant of hardy character.

3 inch Pot.....\$.12

1 Gallon......45

ASPARAGUS SPRENGERI, Emerald Feather

Fine short needle-like foliage on long hanging fronds. Produces red berries.

3 inch Pot.....\$.12

1 Gallon......45

Gold Spot Euonymous

BOSTON, Sword Fern

Straight, flat fronds of a pleasing light green.

1 Gallon.....\$.60

FICUS DECORA, Red Rubber Plant

The most beautiful Rubber Plant aptly described as the "King of the Ficus Family". Large, round, reddish, leathery leaves. Unsurpassed for indoor plantings.

5 Gallon.....\$2.50

Rubber Plants

FICUS ELASTICA, Rubber Plant

The well known and widely used common Rubber Plant. Large, dark green, elongated leaves.

1 Gallon.....\$.75

FICUS REPENS, Climbing Fig

An evergreen climber with a close growing, clinging habit. Small round dark green foliage. Will grow in sun or shade. Hardy, fast growing, disease resistant. An unsurpassed vine for a great many applications.

1 Gallon.....\$.60

FICUS RUBRA, Rubber Plant

A plant quite similar to the common Rubber Plant except the new leaves are an attractive red color. Mature leaves are shorter and more round than *Elastica*. A good variety.

1 Gallon.....\$1.00

FORSYTHIA LYNNWOOD GOLD

Attractive erect growing Forsythia with dark green foliage. Produces an abundance of deep, golden yellow blossoms, larger than common Golden Bell.

18 to 24 in. B&B.....\$.80
2 to 3 ft. B&B.....1.00

FORSYTHIA SPECTABILIS, Golden Bell

Considered one of the best of all Forsythia. Slender arching branches, handsome dark green foliage, golden yellow flowers. Deciduous. Plant in full sun. A large supply of extra nice, well developed, sheared plants available.

18 to 24 in. B&B.....\$.75
2 to 3 ft. B&B......90
3 to 4 ft. B&B.....1.00

GARDENIA FORTUNEII, Fortune Gardenia

Dark, waxy-green foliage. Produces double white, fragrant blossoms in profusion during spring and fall, occasionally during summer. Classed as ever-blooming.

24 to 30 in. B&B.....\$1.00
30 to 36 in. B&B.....1.25

GARDENIA MYSTERY, Mystery Gardenia

Well known and popular Gardenia with attractive dark green foliage. Produces very large, flat, fragrant, double white blossoms. Blooms profusely in the spring followed by a fall blooming period.

18 to 24 in. B&B.....	\$.90
24 to 30 in. B&B.....	1.00
30 to 36 in. B&B.....	1.25

GARDENIA RADICANS, Dwarf Gardenia

Spreading habit of growth. Pointed, dark green foliage. Very free blooming.

15 to 18 in. B&B.....	\$1.00
18 to 24 in. B&B.....	1.25

GARDENIA STRICTA NANA, Dwarf Gardenia

Upright growing dwarf gardenia. Small dark green foliage. Flowers are in miniature of regular Gardenia.

15 to 18 in. B&B.....	\$1.00
18 to 24 in. B&B.....	1.25

GELSEMIUM SEMPERVIRENS, Carolina Jasmine

Evergreen twining vine with attractive light green foliage. Golden trumpet-shaped flowers freely produced. Stands winter cold very well. One of the finest vines adaptable to a wide variety of uses.

1 Gallon.....	\$.75
---------------	--------

Gardenia Mystery

Gardenia Fortunei

Italian Cypress

Sago Palm

Boston Fern

Plumosus Fern

Sprengerii Fern

GERANIUM

An outdoor variety of common Geranium. Red flowers produced in abundance.

1 Gallon.....\$.50

HEDERA, Ivy

Ornamental evergreen climbing vines grown for their handsome and persistent foliage. The ivy is very valuable for a wide range of uses; covering walls, rocks, trees, trellises as well as planter box, garden and ground cover use. It grows in almost any soil but best in a somewhat moist and shadier position. Available in the following varieties:

CANARIENSIS VARIEGATA, Variegated Ivy
Decorative ivy, glossy green, ivory white, medium sized leaves.

2½ in. pots.....\$.15

GLACIER, Glacier Ivy

Small green and ivory leaves. Self-branching.

2½ in. pots.....\$.18

GOLD DUST, Gold Dust Ivy

Attractive small variegated golden yellow and green leaves.

2½ in. pots.....\$.18

HELIX, English Ivy

Popular dark green Ivy always in demand. One of the most hardy and versatile.

2½ in. pots.....\$.15

HEMEROCALLIS, Yellow Day Lily

Popular yellow flowered perennial with abundant grass-like foliage. Prized for its hardiness and showy yellow funnel-like blossoms.

1 Gallon.....\$.60

HIBISCUS ROSA SINENSIS, Hibiscus

We offer the choicest varieties representing a wide range of colors. The lustrous green foliage and gorgeous blossoms envelope the plant at all seasons of the year until checked by frost in the late fall. They have gained wide popularity in recent years and are always in demand. Easily grown plants which may be used as individual specimens, groups, borders, hedges, patio or tub plants.

Usually available in the following varieties:

Aldalaran.....	Large single rose-red

Sunset.....	Single lemon yellow

Any of the above are priced:

3 in. Pots.....	\$.20
1 Gallon.....	.60
5 Gallon.....	1.25

HIBISCUS SYRIACUS ALBA, Single White Althea

Slower growing and more dwarf than other varieties listed.

2 to 3 ft. B&B.....	\$.75
---------------------	--------

HIBISCUS SYRIACUS AMPLISSIMUS, Double Red Althea

Outstanding Althea, upright formal growth. Vigorous, growing well in all areas. Heavy bloomer, good double red blossoms clothing the plant.

2 to 3 ft. B&B.....	\$.75
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25

HIBISCUS SYRIACUS ARDENS, Double Violet Althea

Double violet to purple flowers. Vigorous grower, blooming freely. Heavy individual field grown plants.

2 to 3 ft. B&B.....	\$.75
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25

HIBISCUS SYRIACUS PULCHERIMUS, Double Pink Althea

Vigorous, upright grower producing beautiful double pink flowers in profusion.

2 to 3 ft. B&B.....	\$.75
---------------------	--------

HIBISCUS SYRIACUS SINGLE LAVENDER, Single Lavender Althea

Vigorous upright grower. Large, single lavender blooms in profusion. An outstanding single type Rose of Sharon. Hardy in all areas.

3 to 4 ft. B&B.....	\$.75
4 to 5 ft. B&B.....	1.00

HOMALOCADIUM PLATYCLADUM, Ribbon Plant

A lush, fern-like plant having flat ribbon-like stems with sparse green leaves. Sometimes called Tape-worm Fern. A native of the Solomon Islands valuable for planter boxes and protected places.

1 Gallon.....\$.60

HYDRANGAEA HORTENSIS

The best variety of Hydrangea for outdoor planting. Does best in shade or partial shade with considerable moisture. Produces masses of pink and blue flower heads.

1 Gallon.....\$.75

ILEX CORNUTA, Chinese Holly

Very hardy evergreen shrub with stiff, bright green, holly-like leaves. Clusters of bright red berries add to its attractiveness. Better adapted to dry alkaline regions than Burfordi Holly.

1 Gallon.....\$.60

ILEX CORNUTA BURFORDI, Burford Holly

Deep, dark green foliage almost without spines. Bears clusters of brilliant red berries in winter.

1 Gallon.....\$.60

5 Gallon.....1.50

ILEX ROTUNDA, Rotunda Holly

A fast, upright growing plant having smooth, shiny green leaves. Responds to shearing very nicely. A new plant that should be a valuable addition to our broadleaf evergreen list.

18 to 24 in. B&B.....\$1.50

24 to 30 in. B&B.....1.75

30 to 36 in. B&B.....2.00

ILEX VOMITORIA, Yaupon Holly

Excellent evergreen shrub that does well in almost all localities. Bears small bright red berries. Medium sized to small oval shaped light green leaves. Ready response to shearing adds to its popularity.

15 to 18 in. B&B.....\$1.00

18 to 24 in. B&B.....1.25

24 to 30 in. B&B.....1.50

30 to 36 in. B&B.....2.00

ILEX VOMITORIA NANA, Dwarf Yaupon Holly

A low, dwarf growing type of Yaupon. Hardy, very durable.

1 Gallon.....\$.60

IXORA COCCINEA, Flame of The Woods

Evergreen shrub with large oval shaped green leaves. Responds to shearing very nicely. Produces clusters of showy orange-red flowers. A very showy plant for warmer localities. Plant in full sun.

1 Gallon.....\$.60

JASMINUM FLORIDUM (Humile), Italian Jasmine

Low-growing evergreen shrub with arching branches clothed with small, dark green leaves. Bears a profusion of small, single, golden yellow flowers. A very desirable plant. An excellent stock this year.

15 to 18 in. B&B.....\$.75

18 to 24 in. B&B.....1.00

24 to 30 in. B&B.....1.25

JASMINUM PRIMULINUM, Primrose Jasmine

Similar to Italian Jasmine, having larger foliage and flowers. Rich green stems and leaves. Rank grower but responds to shearing quite well.

18 to 24 in. B&B.....	\$.75
24 to 30 in. B&B.....	1.00
30 to 36 in. B&B.....	1.25

JASMINUM REVOLUTUM, Revolutum Jasmine

Hardy, fast growing, upright evergreen shrub. Nice dark green foliage combined with golden yellow flowers make this a very desirable plant.

5 Gallon.....	\$1.50
---------------	--------

JASMINUM SAMBAC, Grand Duke Jasmine

Tender shrub having rounded, dark green leaves. Double, creamy white, deliciously fragrant blossoms. After freezing down in fall generally comes back from the crown in spring.

1 Gallon.....	\$.60
---------------	--------

JUNIPERUS CHINENSIS ARMSTRONGI, Armstrong Juniper

Symmetrical growing Juniper with light green foliage. Similar to Pfitzer but has a more erect habit of growth.

18 to 24 in. B&B.....	\$1.50
-----------------------	--------

Italian Jasmine

JUNIPERUS CHINENSIS PFITZERIANA, Pfitzer Juniper

Hardy, low growing Juniper with a spreading habit of growth. Soft, deep green foliage. Excellent plant for foundation, ground cover and low accent plantings.

15 to 18 in. B&B.....	\$1.25
18 to 24 in. B&B.....	1.50

If you have not ordered from us before, give us a try. All of our field grown, balled and burlapped plants are well developed, of better quality and better value. Stock that you will be proud to offer your customer. We will always do our best for you.

Compact Pfitzer Juniper

**JUNIPERUS CHINENSIS PFITZERIANA COMPACTA,
Compact Pfitzer Juniper**

A more refined, dense grower than regular Pfitzer. Sometimes referred to as Dwarf Pfitzer. Attractive blue-green foliage.

15 to 18 in. B&B.....	\$1.25
18 to 24 in. B&B.....	1.50

Blue Vase Juniper

**JUNIPERUS CHINENSIS PSEUDO PFITZERIANA,
Texas Star Juniper (Blue Vase Juniper)**

A beautiful, blue-foliaged, dense growing, vase shaped Juniper. Originated in the Gulf Coast area. Very little shearing necessary as it grows naturally compact. More refined than Pfitzer.

12 to 15 in. B&B.....	\$1.00
15 to 18 in. B&B.....	1.25
18 to 24 in. B&B.....	1.50

JUNIPERUS EXCELSA STRICTA, Spiny Greek Juniper

Attractive blue-green spiny foliage. Upright grower of a pyramidal shape. Semi-dwarf in habit.

15 to 18 in. B&B.....	\$1.00
18 to 24 in. B&B.....	1.25

JUNIPERUS GLAUCA HETZI, Hetz Juniper

Similar to Pfitzer but having a tendency to grow slightly more upright. A very hardy type with silver-blue foliage. Rather fast growing.

1 Gallon.....	\$.60
15 to 18 in. B&B.....	1.00
18 to 24 in. B&B.....	1.25
24 to 30 in. B&B.....	1.50

We wish each and everyone of you a very successful season and are looking forward to the opportunity of serving you in your needs.

Climbing Fig

Compact Pfitzer

Andorra Juniper

JUNIPERUS HORIZONTALIS PLUMOSA, Andorra Juniper

Low, horizontal growing Juniper having feathery light green foliage. Hardy to below zero temperatures. During cold weather foliage turns to an attractive plum color. One of the most popular prostrate varieties.

15 to 18 in. B&B.....	\$1.25
18 to 24 in. B&B.....	1.50

JUNIPERUS SABINA TAMARISCIFOLIA, Tamarix Juniper

Flat spreading Juniper with bluish-green foliage. Popular variety because of its hardiness and versatility.

10 to 12 in. B&B.....	\$1.00
12 to 15 in. B&B.....	1.25
15 to 18 in. B&B.....	1.50

JUNIPERUS SABINA VONEHRON, Von Ehron Juniper

One of the better prostrate Junipers. Fast growing, spreading. The dark green foliage is unaffected by hot sun or dry winds. Its ready response to shearing adds to its value.

1 Gallon.....	\$.60

LANTANA DWARF GOLD

A trailing yellow lantana having attractive dark green foliage. Produces masses of bright golden yellow flowers all season. A valuable plant for a wide variety of uses.

1 Gallon.....\$.60

LANTANA SELLOWIANA, Trailing Lantana

An excellent ground cover or spreading shrub making a dense mass of deep green foliage. Bears clusters of lavender blossoms adding to its popularity.

1 Gallon.....\$.50

LANTANA SILVER MOUND

Rich green leaves on spreading branches contrast pleasingly with the masses of creamy-white flowers.

1 Gallon.....\$.60

LEUCOPHYLLUM COMPACTA, Compact Senisa

This is a more refined plant than the native type of Senisa. It grows more compact without shearing and produces beautiful dark lavender blossoms. When in full bloom the lavender color is set off to perfection by the silvery-gray foliage. Being cutting grown you are assured of uniformity of growth and bloom. We are proud to offer thousands of this fine plant in both field grown and container sizes. Every retail sales outlet in the state should stock this universally demanded plant. Note the pictures to right of the stock available this year.

COMPACT SENISA IN THE WORLD.**

Compact Senisa

Compact Senisa - 1 Gallon

Ligustrum Japonica

LIGUSTRUM JAPONICA, Japanese Privet

Vigorous growing hedge plant with large, dark green leaves. May be used as an individual plant or trimmed into low tree as well. Fast growing and very hardy. Our low prices on this specialty item is in keeping with our policy of Better Quality, Better Value. For standards see listing under Shade and Ornamental Tree Section on page 52.

2 to 3 ft. B&B.....	\$.65
3 to 4 ft. B&B.....	.75
4 to 5 ft. B&B.....	.90
5 to 6 ft. B&B.....	1.10
6 to 7 ft. B&B.....	1.50
7 to 8 ft. B&B.....	2.00

PLEASE NOTE: All prices in this catalog are based on a minimum of ten each. On quantities less than this minimum please add twenty percent to your order.

LIGUSTRUM JAPONICA CRINKLE-LEAF, Crinkle Leaf Japanese Privet

A newer, comparatively unknown variety that is sure to increase in popularity. Slow growing, upright columnar habit makes this plant far superior to common Ligustrum Japonica. It may well be used as individual specimen plants or as hedges. For standards see listing under Shade and Ornamental Tree Section on page 52.

3 to 4 ft. B&B.....	\$2.00
4 to 5 ft. B&B.....	2.50

LIGUSTRUM LUCIDUM COMPACTUM Compact Wax Leaf

Excellent evergreen shrub with thick, glossy, dark green leaves. One of the most popular ornamental broadleaves adaptable to a wide range of uses. Vigorous growing, disease free shrub. Responds to shearing very well.

18 to 24 in. B&B.....	\$.80
24 to 30 in. B&B.....	1.00
30 to 36 in. B&B.....	1.25
3 to 4 ft. B&B.....	2.00

LIGUSTRUM LUCIDUM NOBILIS, Noble Wax

Similar to Lucidum but a definite ascending or upright habit of growth. Glossy green leaves slightly narrower than Lucidum completely envelope the plant. An outstanding plant very effective in landscape designs.

30 to 36 in. B&B.....	\$1.50
3 to 4 ft. B&B.....	2.00

LIGUSTRUM LUCIDUM UPRIGHT, Upright Wax Leaf

Similar to true Wax, having smaller foliage and a tendency to grow upright. Especially adaptable to hedge work. A superior cutting grown strain offered.

18 to 24 in. B&B.....	\$.75
24 to 30 in. B&B.....	1.00
30 to 36 in. B&B.....	1.25
3 to 4 ft. B&B.....	1.50

LIGUSTRUM OVALIFOLIUM, California Privet

Rapid growing evergreen shrub having closely set, dark green leaves. Widely used for hedges or clipped individual specimens. Easily grown and hardy in all localities.

Magnolia

MALPIGHIA GLABRA, Barbados Cherry

Evergreen shrub thickly clothed with small, light green foliage. Clusters of pink flowers all summer followed by bright red, cherry-like berries. Winter kills but makes a rapid come back in the spring.

1 Gallon.....	\$.60
18 to 24 in. B&B.....	1.00
24 to 30 in. B&B.....	1.25

MALVAVISCUS ARBOREUS, Turk's Cap

Fine shrub with heart shaped leaves, light green in color. Produces erect, scarlet flower buds which never fully expand. Hardy, will freeze down in winter but comes back readily in the spring.

1 Gallon.....	\$.60
---------------	--------

MYRTUS COMPACTA, Compact Myrtle

Small, aromatic, dark green leaves. Medium grower of a globular and very compact habit. Creamy white flowers profusely borne in spring. Very valuable in landscape work.

1 Gallon.....	\$.60
---------------	--------

MYRTUS COMMUNIS VARIEGATA, Variegated German Myrtle

Same growing habits as the above except for white, cream, silver and green variegated foliage. Responds beautifully to shearing. An ideal specimen plant or makes a most attractive hedge. Adaptable to a wide range of soil conditions.

1 Gallon.....	\$.60
---------------	--------

MUSA ENSETE, Abyssinian Banana

A large growing Banana with long, broad fronds having a characteristic red tint to the middle rib. Ideal subject for tropical effects. Not as hardy as the following Sapienum.

1 Gallon.....	\$.75
---------------	--------

MUSA SAPIENTUM, Common Banana

When plants of a tropical effect are desired the Banana is ideal. Highly ornamental having wide, long, dark green leaves. Tender to cold and should be planted in a rather protected location.

1 Gallon.....	\$.60
5 Gallon.....	1.00

Texas Honeysuckle

Nandina

Halepensis Pine

NANDINA DOMESTICA, Heavenly Bamboo

Moderate growing evergreen shrub of an erect growth. Finely cut light green foliage turning red and scarlet tints in autumn. Creamy white flower spikes followed by clusters of red berries. Very showy plant adaptable to many uses.

Nandina

NERIUM, Oleander

Large evergreen shrub having long, narrow, pointed dark green leaves and showy flower clusters spring to fall. Very hardy, thriving in all localities with a minimum of care. We are offering an excellent supply of quality field grown plants of the following sorts:

APPLE BLOSSOM—One of the most popular, probably due to its long and continual blooming period. Produces good sized clusters of clear shell-pink blossoms in profusion. Will stand more cold than any other variety listed with the exception of the Single Hardy Red. Single.

1 Gallon.....	\$.50
30 to 36 in. B&B.....	.75
3 to 4 ft. B&B.....	1.00

CERISE—Brilliant, single rose-red flowers produced in abundance. Blooms are more fragrant than most varieties. Upright habit of growth.

1 Gallon.....	\$.50
30 to 36 in. B&B.....	.75
3 to 4 ft. B&B.....	1.00

DOUBLE CREAM—Vigorous upright grower, blooming in spring and fall. Large clusters of double cream flowers.

1 Gallon.....	\$.50
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25

DOUBLE PINK—Vigorous upright grower. Very hardy free blooming type, producing numerous clusters of beautiful double rose-pink flowers.

1 Gallon.....	\$.50
30 to 36 in. B&B.....	.75

3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25
5 to 6 ft. B&B.....	1.50
6 to 7 ft. B&B.....	2.50

DOUBLE RED—Very similar in habit and appearance to double pink. Large, double, rich red, sometimes streaked with white.

1 Gallon.....	\$.50
30 to 36 in. B&B.....	.75
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25
5 to 6 ft. B&B.....	1.50
6 to 7 ft. B&B.....	2.50
6 to 8 ft. Standards, B&B.....	2.50

DOUBLE WHITE—Another vigorous grower blooming profusely with large clusters of clear double white blossoms.

1 Gallon.....	\$.50
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25

MRS. ROEDING—Being somewhat dwarf in habit of growth does not grow as tall as most sorts. This variety is indeed a beautiful sight when covered with its double salmon flowers.

1 Gallon.....	\$.50
30 to 36 in. B&B.....	.75
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25

PEACH BLOSSOM—Quite similar to the Apple Blossom except more formal upright habit of growth. Single light pink flowers.

30 to 36 in. B&B.....	\$.75
3 to 4 ft. B&B.....	1.00

SCARLET BEAUTY—A new beautiful, vivid single red. One of the most profuse bloomers, the plant being consistently covered with large clusters of showy dark red blooms. We predict

a great future for this Oleander, knowing it will be acclaimed where ever Oleanders will grow. Our own introduction, a good supply available.

1 Gallon.....	\$.50
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25
5 to 6 ft. B&B.....	1.50
6 to 7 ft. B&B.....	2.50
6 to 8 ft. Standards, B&B.....	2.50

SEALY PINK—Popular, upright growing Oleander producing a profusion of single light pink blossoms. More free blooming but not as hardy as the Apple Blossom.

1 Gallon.....	\$.50
30 to 36 in. B&B.....	.75
3 to 4 ft. B&B.....	1.00

SINGLE HARDY RED—The hardiest of all Oleander. This sort has stood severe weather of below twenty degrees without freezing. Good clusters of large, bright red flowers.

3 to 4 ft. B&B.....	\$1.00
---------------------	--------

SINGLE WHITE—Vigorous upright-growing plant producing numerous clusters of single pure white blossoms.

1 Gallon.....	\$.50
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25
6 to 8 ft. Standards, B&B.....	2.50

Single Hardy Red Oleander

VARIEGATED—The narrow, pointed, dark green leaves are very effectively variegated with silvery-yellow stripes and streaks. Some of the new growth is entirely yellow adding to its attractiveness. In addition large clusters of double pink flowers streaked with white are produced in abundance.

1 Gallon.....	\$.50
30 to 36 in. B&B.....	.75
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25
5 to 6 ft. B&B.....	1.50

OPHIPOGON JAPONICA, Monkey Grass

Narrow grass-like leaves of dark green. Grows twelve to fifteen inches high. A versatile plant valuable for many varied uses.

1 Gallon.....	\$.50
---------------	--------

PALMS

For your convenience all the Palms we have available are listed in this special section. Sizes listed are over-all heights and not trunk heights. We feel sure you will be pleased with the Better Quality — Better Value of our Palms.

CHAMAEDOREA ELEGANS, Neanthe Bella Palm

Popular palm widely used in greenhouse and indoor plantings. Handsome, thornless dark green foliage.

3 inch Pot.....	\$.20
1 Gallon.....	.60

COCOS AUSTRALIS, Pindo Palm

A slow growing but strikingly beautiful specimen when a few years old. The leaflets are very rigid and are of a blue-green color. A very hardy variety preferring drier soils. Few Palms require so little care.

18 to 24 in. B&B.....	\$2.00
24 to 30 in. B&B.....	2.50

The above are single trunk plants. We also offer multi-trunk plants of this variety at the following prices:

18 to 24 in. B&B.....	\$2.50
24 to 30 in. B&B.....	3.00

COCOS BONNETTII

Very similar to the preceeding Cocos Australis, but does not produce multiple canes or trunks as readily. Attractive, hardy variety.

18 to 24 in. B&B.....	\$2.00
24 to 30 in. B&B.....	2.50

COCOS CAMPESTRIS

More dwarf than Cocos Australis growing only ten to twelve feet tall at maturity. Spreading, recurved fronds clothed with attractive blue-green leaves. Native of Brazil. Hardy to near zero temperatures.

18 to 24 in. B&B.....	\$2.00
24 to 30 in. B&B.....	2.50
30 to 36 in. B&B.....	3.50

COCOS PLUMOSUS, Cocos Plumosus Palm

A fast growing ornamental Palm. The slender smooth boles and heads of graceful recurving leaves make this a very attractive variety.

1 Gallon.....	\$.60
---------------	--------

CYCAS REVOLUTA, Sago Palm

One of the most beautiful and ornamental palms available. Handsome, glossy, fern-like leaves gracefully recurved. Hardy, capable of standing considerable cold weather.

4 inch Pot.....	\$1.00
1 Gallon.....	1.25

ERYTHERA EDULIS, Guadalupe Palm

Attractive bright green fan-like leaves. Tender variety that will not stand too much cold. Should be planted in sheltered places or mild areas.

15 to 18 in. B&B.....	\$1.50
18 to 24 in. B&B.....	2.00

If you have not ordered from us before, give us a try. All of our field grown, balled and burlapped plants are well developed, of better quality and better value. Stock that you will be proud to offer your customer. We will always do our best for you.

PALMS, Continued

PHOENIX CANARIENSIS, Ornamental Date Palm

A very stately and beautiful palm with light green leaves. Rapid growing, forming a crown of gracefully curved fronds.

18 to 24 in. B&B.....	\$1.50
24 to 30 in. B&B.....	2.00
30 to 36 in. B&B.....	2.50

PHOENIX DACTYLIFERA, Date Palm

Rapid growing Palm having graceful recurving fronds of a light green to blue-green color. More ascending than the Canariensis. Tolerant to salt or alkaline soil conditions. Limited quantity available.

3 to 4 ft. B&B.....	\$2.00
5 to 6 ft. B&B.....	4.00

WASHINGTONIA FILIFERA, Fan Leaf Palm

Well known, large growing fan leaf Palm. This is the type that has heavy, thick trunks, and does not grow as tall as the Robusta. The fronds are dark green, making noble specimens. Of the two Fan Leaf species offered we have found this variety capable of withstanding considerable more cold weather.

1 Gallon.....	\$.60
2 to 3 ft. B&B.....	1.25
3 to 4 ft. B&B.....	1.50
4 to 5 ft. B&B.....	2.00
5 to 6 ft. B&B.....	2.50
6 to 7 ft. B&B.....	3.00
7 to 8 ft. B&B.....	5.00

Washingtonia Filifera

WASHINGTONIA ROBUSTA, Mexican Fan Palm

Popular, well known, tall growing Fan Palm. This is the type with narrow bole, crowned with dark green fronds. It does not endure as much cold as the Filifera and plantings should be limited to the Coastal and Southern areas.

1 Gallon.....	\$.60
2 to 3 ft. B&B.....	1.25
3 to 4 ft. B&B.....	1.50
4 to 5 ft. B&B.....	2.00
5 to 6 ft. B&B.....	2.50
6 to 7 ft. B&B.....	3.00
7 to 8 ft. B&B.....	5.00

Pittosporum Tobira

PHILADELPHUS VIRGINALIS, Double Mock Orange

Medium sized deciduous shrub of symmetrical and compact habit. Produces masses of fragrant semi-double flowers in the Spring.

18 to 24 in. B&B.....	\$.75
24 to 30 in. B&B.....	.90
30 to 36 in. B&B.....	1.10

PHOTINIA DENTATA, Chinese Photinia

One of the finest of the large evergreen shrubs. Dark green, well toothed leaves contrast nicely with the reddish tints of new growth. White blossoms borne in clusters in the Spring. The field plants offered here are budded on Quince to insure successful transplanting.

1 Gallon.....	\$.60
30 to 36 in. B&B.....	1.50
3 to 4 ft. B&B.....	2.00

PINUS CANARIENSIS, Canary Island Pine

A beautiful, silvery-blue ornamental Pine. Slender upright growth. Should be planted in sunny, protected areas.

15 to 18 in. B&B.....	\$1.00
-----------------------	--------

PINUS HALEPENSIS, Aleppo Pine

An excellent ornamental pine having attractive light green needles of medium length. Rapid growing with a columnar habit. Does well in dry, alkaline soils with a minimum of care.

1 Gallon.....	\$.60
18 to 24 in. B&B.....	1.10
24 to 30 in. B&B.....	1.25
30 to 36 in. B&B.....	1.50
3 to 4 ft. B&B.....	2.00
4 to 5 ft. B&B.....	2.50
5 to 6 ft. B&B.....	3.00

PINUS TAEDA, Loblolly Pine

Fast growing Pine tree heavily foliaged with dark green needles. Dense, symmetrical tops where given space to develop make an outstanding shade tree.

2 to 3 ft. B&B.....	\$1.25
---------------------	--------

PITTOSPORUM TOBIRA, Green Pittosporum

Dense evergreen shrub with shiny dark green leaves. Has a rather low habit of growth and responds well to trimming. Fragrant white flowers borne in clusters.

1 Gallon.....	\$.60
12 to 15 in. B&B.....	.80

30 to 36 in. B&B.....	2.00

PITTOSPORUM TOBIRA VARIEGATA,**Variegated Pittosporum**

One of our most beautiful broadleaf evergreens. Light green leaves pleasingly mottled with white to silver variegations. Slower growing than its green counterpart, but just as hardy.

1 Gallon.....	\$.60
12 to 15 in. B&B.....	1.00
15 to 18 in. B&B.....	1.25
18 to 24 in. B&B.....	1.50

PLUMBAGO CAPENSIS, Blue Plumbago

Attractive shrub of very desirable habits producing clusters of blue flowers all summer. Full sun or partial shade. Freezes down in winter but usually comes out again in spring.

1 Gallon.....	\$.60
---------------	--------

PLUMBAGO CAPENSIS ALBA, White Plumbago

Same characteristics as the blue type except the flowers are white.

1 Gallon.....	\$.60
---------------	--------

PODOCARPUS MACROPHYLLA, Japanese Yew

Bright green needle-like flat leaves. Fine evergreen conifer growing in a columnar habit. Easily trained by slight pruning.

1 Gallon.....	\$.60
18 to 24 in. B&B.....	1.50
24 to 30 in. B&B.....	2.00
30 to 36 in. B&B.....	2.50
3 to 4 ft. B&B.....	3.00

PODOCARPUS NAGI

Shiny, dark green leaves, shorter and broader than preceding types. In hot, dry areas should be planted in shade or partial shade. One of the most beautiful

types of Podocarpus.

3 inch Pot.....	\$.25
1 Gallon.....	.60

PRUNUS CAROLINIANA, Cherry Laurel

Large, heavy-growing evergreen shrub with dark glossy green foliage. White flowers in spring followed by small blue-black berries. Responds to shearing very well. An excellent landscape plant.

30 to 36 in. B&B.....	\$1.25
3 to 4 ft. B&B.....	1.50

PRUNUS GLANDULOSA, Double Pink Flowering Almond

One of the most beautiful ornamental flowering shrubs. May be used for individual foundation or border planting. Deciduous, hardy to below zero temperatures. Before leaves appear in spring bears an abundance of small double pink flowers. Very showy.

18 to 24 in. B&B.....	\$1.00
-----------------------	--------

PRUNUS TOMENTOSA, Manchu Cherry

Excellent, deciduous, hardy shrub producing white tinged with pink blossoms in early Spring before foliage. Attractive foliage is light green. Edible fruits are small scarlet cherries.

18 to 24 in. B&B.....	\$1.25
-----------------------	--------

PUNICA CHICO, Dwarf Carnation-Flowering Pomegranate

Fine deciduous flowering shrub. Leaves light green with bright red, carnation-like flowers in summer which are very showy. Non-fruiting variety.

15 to 18 in. B&B.....	\$.75
18 to 24 in. B&B.....	1.00
24 to 30 in. B&B.....	1.25

PUNICA GRANATUM NANA, Spanish Ruby Pomegranate

Semi-deciduous, compact growing, hardy dwarf shrub. One of the most attractive plants that we grow. Ideal for borders, edgings, hedges, and individual plantings. From spring until fall the plant is covered with orange-red tubular blossoms. Small ornamental fruit adds to its charm. Freezes back during winter months but comes out readily each spring.

15 to 18 in. B&B.....	\$.75
18 to 24 in. B&B.....	1.00

PYRACANTHA BARLOW, Barlow's Firethorn

Vigorous growing Pyracantha with large dark green leaves. Produces clusters of large red berries in abundance.

1 Gallon.....	\$.75
---------------	--------

PYRACANTHA BUXUS, Dwarf Pyracantha

Small, dense growing, compact bush clothed with light green foliage. Does not bear berries but valuable for planting in areas where other dwarf plants are difficult to grow. May be used individually or as border and hedge subjects.

1 Gallon.....	\$.75
---------------	--------

PYRACANTHA GOLDEN QUEEN, Golden Firethorn

This one has the most attractive foliage of all the Pyracantha, being more dainty in appearance and bright green in color. Berries are produced in abundance and are golden-yellow when mature.

1 Gallon.....	\$.75
5 Gallon.....	2.00

PYRACANTHA GRABERI, Graber's Firethorn

Glossy green foliage, large berries of bright red color borne in large clusters. A large, vigorous growing plant. One of the finest varieties of Pyracantha available. Individual name labels supplied with each plant.

1 Gallon.....	\$.75
5 Gallon.....	2.00
5 Gallon Standards.....	2.50

PYRACANTHA KASAN, Kasan Firethorn

Orange-red berries freely produced on vigorous growing, hardy plant. Will stand temperatures below zero.

1 Gallon.....	\$.75
---------------	--------

PYRACANTHA LALANDI, Orange Firethorn

Upright habit of growth, dull green foliage. Produces clusters of orange berries. Very widely planted as it is more cold hardy than other varieties.

1 Gallon.....	\$.75
5 Gallon.....	2.00

PYRACANTHA PAUCIFLORA, Pauciflora Firethorn

An outstanding variety of low, compact growth with glossy green foliage. Orange-red berries add to its attractiveness. Easily sheared into specimens or hedges. Hardy, withstanding extreme weather and temperature conditions.

1 Gallon.....	\$.75
5 Gallon.....	2.00

PYRACANTHA VICTORY, Victory Firethorn

Vigorous red-berried Pyracantha producing good clusters of large, red berries which are retained into early winter.

1 Gallon.....	\$.75
5 Gallon.....	2.00

PYRACANTHA WYATTI, Wyatt Firethorn

One of the hardiest Pyracantha standing below zero temperatures. Attractive light green foliage, orange-red berries.

1 Gallon.....	\$.75
5 Gallon.....	2.00

SALIX CAPREA, French Pussy Willow

Upright deciduous shrub. Green leaves, whitish beneath. Large and showy catkins appearing before the foliage in early Spring. This is an especially good type of flowering Pussy Willow.

5 Gallon.....	\$1.25
3 to 4 ft. B&B.....	1.00
4 to 5 ft. B&B.....	1.25

SALIX PURPUREA NANA, Dwarf Arctic Willow

A charming, low growing shrub well suited for borders and edging. The small, willow foliage is a lovely silvery blue-green. Can be clipped for formal effects or left natural if desired. Will stand extreme cold.

18 to 24 in. B&B.....	\$1.25
-----------------------	--------

Santolina

SANTOLINA CHAMAECYPARISSUS, Lavender Cotton

A hardy, shrubby, much branched plant growing not over 18 to 24 inches in height having evergreen, silvery gray leaves. Produces small globular heads of yellow flowers in summer. Excellent for bedding and borders.

1 Gallon.....	\$.60
15 to 18 in. B&B.....	1.00

We are NOT actively engaged in the retail nursery business at ANY LEVEL in direct competition to YOUR own retail operation. We are NOT selling to ANY individuals or organizations not entitled to receive wholesale prices.

Green Santolina

SANTOLINA CHAMAECYPARISSUS VIRENS
Green Lavender Cotton

Same as the regular Santolina except the foliage is green rather than grey.

1 Gallon.....\$.60
12 to 15 in. B&B.....1.00

SPIREA ANTHONY WATERER, Pink Bridal Wreath

Low growing, bushy, deciduous shrub producing attractive flat clusters of rosy-pink flowers in late spring or early summer. Hardy.

15 to 18 in. B&B.....\$1.00

SPIREA VAN HOUTTEI, Bridal Wreath

The most commonly known Spirea, being planted all over the country. Slender, arching branches covered with clusters of single white flowers in the spring. Attractive foliage.

18 to 24 in. B&B.....\$.75
24 to 30 in. B&B......90

SYRINGA VULGARIS, Common Purple Lilac

Hardy, attractive shrub with large clusters of fragrant purple flowers. Dark green foliage, upright habit of growth. The best known and favorite Lilac.

18 to 24 in. B&B.....\$1.00

TECOMA CAPENSIS, Cape Honeysuckle

Beautiful glossy green pinnate leaves. Vigorous grower usually handled as a shrub by light pruning. Produces clusters of orange-red trumpet-shaped blossoms. Plant in partial shade or full sun. Winter kills but makes a rapid comeback in the first warm days of spring.

1 Gallon.....\$.60

TRITOMA GRANDIFLORA, Red Hot Poker

Also known as Torch Lily. Excellent perennial producing spikes of showy red flowers in the Spring. Should be planted in open sunny places for best results.

1 Gallon.....\$.60

VERBENA PERUVIANA, Red Verbena

Good ground cover plant of spreading habit producing flat clusters of bright red flowers.

1 Gallon.....\$.60

VIBURNUM JAPONICA

Fast growing shrub with light green rather large leaves resembling English Laurel. Produces clusters of white flowers.

1 Gallon.....\$.60

5 Gallon.....1.50

VIBURNUM OPULUS STERILIS, Common Snowball

Popular, well known shrub of upright spreading branch habit. Produces attractive white flowers in rounded clusters in early Spring.

15 to 18 in. B&B.....\$1.00

VIBURNUM RHYTIDOPHYLLUM, Leather Leaf Viburnum

Valuable evergreen shrub having large, leather-like dark green leaves. White flowers in late spring followed by black berries.

18 to 24 in. B&B.....\$2.00

VIBURNUM SUSPENSUM

A very fine evergreen shrub. Heavy dark green leaves with clusters of white flowers. Will do well in partial shade.

1 Gallon.....\$.60

5 Gallon.....1.50

15 to 18 in. B&B.....1.25

18 to 24 in. B&B.....1.50

24 to 30 in. B&B.....2.00

VIBURNUM TINUS

A more compact and dense grower than the Robustum type. Small pointed leaves, light green in color. Produces flat heads of creamy white flowers, having a pink shade while still in bud. An outstanding plant for general landscape use.

18 to 24 in. B&B.....\$1.50

24 to 30 in. B&B.....2.00

30 to 36 in. B&B.....2.50

PLEASE NOTE: All prices in this catalog are based on a minimum of ten each. On quantities less than this minimum please add twenty percent to your order.

VIBURNUM TINUS ROBUSTUM

An intermediate evergreen shrub with dark green foliage. A good landscape plant. Does well in sun or partial shade. Produces clusters of white flowers having a pink blush. Resistant to pest and disease problems.

18 to 24 in. B&B.....	\$1.50
24 to 30 in. B&B.....	1.75
30 to 36 in. B&B.....	2.00

WEIGELA EVA RATHKE, Red Weigela

Hardy deciduous shrub of compact growth with neat appearance. Good bloomer, producing masses of crimson trumpet shaped flowers.

18 to 24 in. B&B.....	\$.75
-----------------------	--------

WEIGELA ROSEA, Pink Weigela

Easily grown deciduous flowering shrub preferring moist soil and a sunny location. Large, bright green foliage, large clusters of rose-pink trumpet shaped flowers.

18 to 24 in. B&B.....	\$.75
-----------------------	--------

WISTARIA, PURPLE

No more lovely sight can be imagined than a Wistaria in full bloom. The fragrant purple-blue flowers are produced by the hundreds and completely envelope the tree or vine in the spring. It is our

WISTARIA, Continued

pleasure to offer a superior strain—one that blooms freely and at a very young age.

SCHINUS TEREBINTHIFOLIA, Brazilian Pepper Tree

Handsome tropical tree with feathery evergreen foliage. Fast growing excellent shade tree for milder areas. In late summer and early fall loaded with red berries.

1 Gallon.....\$.60

TAMARIX APHYLLA, Salt Cedar

An evergreen variety of Tamarix known in warmer climates by its common names of Salt Cedar or Athel. Will grow in saline or alkaline soils well. It is not too tolerant of cold, freezing back usually at temperatures below twenty degrees. Used chiefly as wind breaks but has a nice blue color and pink flowers and is very attractive planted singly.

1 Gallon.....\$.60

TAMARIX CHINENSIS, Rose Tamarisk

Ornamental shrub or small tree having slender branches clothed with beautiful blue-green foliage. Showy rose-pink flowers in large terminal panicles produced abundantly from June through September. Hardy, well adapted for wide planting, from sea-shore to desert. An outstanding variety that should be a welcome addition to any planting.

	B&B.	2.00

PLEASE NOTE: Consult terms and conditions, inside back cover before ordering. All accounts past due will be charged 10% interest per annum.

IMPORTANT -- Please Notice

For the past several years it has become more and more usual for dealers and nurserymen to stock, sell and plant trees and other deciduous stocks unpruned.

Years of experience have firmly convinced us that this is NOT the proper way to handle nursery stock. Greater customer satisfaction can be had if all material is properly pruned.

We recommend that 1/3 to 1/2 of the TOPS of all BALLED deciduous material be removed by pruning. On BARE-ROOT stock we recommend that the TOPS be pruned back 1/2 to 2/3.

A properly pruned tree planted beside an unpruned tree of the same size will invariably develop into a larger and more symmetrical tree in a shorter period of time.

We make no guarantee of any kind, the purchaser assuming all risk of growth, planting and life of stock. We do make every effort however, to send out stock in good live condition, stock that you are proud to offer your customers.

FRUIT STOCKS

Be Sure you Stock and Sell the Best — ALDRIDGE Grown Fruit Trees.

Greater Vigor, Vitality — Longer Life, Heavier Productivity bring customer satisfaction. Proper varieties available for your area.

APPLES

Apples will grow and make beautiful trees in south Texas but very little production of fruit. They are entirely successful from the central hill country northward, however.

DOUBLE RED DELICIOUS—One of the finest red apples. Strong red skin, delicious flavor, large, crisp and juicy. Not self-fertile. Plant with Yellow Delicious.

STAYMEN'S WINESAP—A popular variety always in demand. Bright red round fruits. Crisp, tart flesh.

SUMMER CHAMPION—Known also as Holland. The best apple for south and southwest plantings. Produces good size, dark red, smooth, firm juicy-fleshed fruit. A consistent bearer. Self-fertile, does not need a pollinizer.

YELLOW DELICIOUS—The finest apple in its class. Self-fertile, an excellent pollinizer. Produces large, golden yellow, crisp, firm, delicious fruit.

3 to 4 ft. B.R.	\$.50
4 to 5 ft. B.R.	.65

APRICOTS

Apricots are not only valuable fruit trees but highly ornamental as well. Their attractive foliage is preceeded by beautiful blossoms in the spring. The upright growing tree is ideal for locations where a smaller ornamental tree might be needed.

Our trees are budded on the finest root stock for maximum productivity and longest life. The best varieties are grown including the following:

BLLENHEIM—Medium oval fruit, orange and deep yellow flesh. A leading commercial variety on the West Coast. Has produced fruit consistently in our test orchards the past several years. Late June.

MOORPARK—One of the better known and more popular Apricots. Large fruit, deep orange in color with a dark red cheek. Very juicy, firm flesh of delicious flavor. Late June.

PERFECTION—Early ripening Apricot with large, uniform fruit, orange-yellow in color with a rosy blush. Good flavor, sweet and juicy. Hardy, vigorous growing tree. Early June.

APRICOTS, Continued

ROYAL—A fine Apricot for all sections. Among the most dependable bearers. Good size fruit, dull yellow with orange blush. Mid June.

TILTON—The big heart-shaped fruits are among the largest of all Apricots. Highly colored fruits being a deep, rich orange. Thrifty, vigorous growing tree. Early June.

All Apricots priced at:

3 to 4 ft. B.R.....	\$.50
4 to 5 ft. B.R.....	.60
5 to 6 ft. B.R.....	.75
6 to 8 ft. B.R.....	.90

CHERRY

HANSEN'S BUSH CHERRY—A bush type Cherry with prostrate or semi-erect habit of growth. Very hardy, standing adverse conditions well. Thickly foliated with attractive bright green leaves making it very ornamental. Heavy producer of good quality fruit for home use.

5 Gallon.....	\$1.50
30 to 36 in. B&B.....	1.25

PLEASE NOTE: All fruit stock prices are based on a minimum of ten of a kind and size. When ordering please order in multiples of ten as all fruit stocks are tied ten per bundle.

CITRUS

MEYER LEMON—Outstanding ornamental shrub. Regular citrus foliage, fragrant flowers and ever-bearing habits make it a very handsome variety. Produces lemons of good quality almost all year. Fruits at an early age.

1 Gallon.....	\$.75
---------------	--------

PONDEROSA LEMON—An excellent large growing lemon producing freely large rounded lemons of superb quality. Good dark green foliage, fragrant flowers. On Trifoliata understock will withstand considerable freezing weather.

2 to 3 ft. B&B.....	\$1.50
3 to 4 ft. B&B.....	1.75
4 to 5 ft. B&B.....	2.00
5 to 6 ft. B&B.....	3.00

All fruit trees are machine dug assuring the finest root system that money can buy. The above photo is another indication of the BETTER QUALITY — BETTER VALUE stock grown by Aldridge.

Brown Turkey Figs

FIGS

A warm temperate fruit, although it will stand ten degrees under favorable conditions. We offer three varieties:

BROWN TURKEY—Medium sized, bell shaped Fig, purplish black in color. Flesh amber, shading to pink. Fruit solid, excellent quality. Very hardy and prolific.

CELESTIAL—Small to medium, violet to purplish-brown fig. Flesh white, shading to rose at center. Firm, juicy, sweetest of all. Excellent quality.

IMPROVED BLACK MISSION—One of the finest Figs that can be grown. Large fruit, dark purple to black with an overlay of amber at their base. Excellent quality and flavor. They begin bearing in early to mid-July and continue until cold weather.

TEXAS EVERBEARING—Medium sized, rather pear shaped, coppery-brown color with amber colored flesh. Ripens early, bearing constantly until frost.

Prices on all varieties:

18 to 24 in. B.R.	\$.30
2 to 3 ft. B.R.	.40
3 to 4 ft. B.R.	.50
4 to 5 ft. B.R.	.60
5 to 6 ft. B.R.	.75

GRAPES

The grape is one of the oldest domesticated fruits. It seems to have been cultivated at the dawn of history. Its product was apparently no rarity in Noah's time. We offer excellent quality vines of the following species in considerable quantities:

CONCORD—Round solid blue-black fruits of medium size. Well known and very popular.

DELAWARE—Round red fruits in small to medium size bunches. Early ripening. Well known, hardy, popular variety.

FREDONIA—Delicious flavored black fruit. Vigorous grower, well foliaged. Ripens several weeks before Concord.

NIAGARA—Tangy, flavorful fruit. Large bunches of round white berries. Attractive bright green foliage.

Above four varieties of grapes are available at this low price:

Hvy. No. 1, B.R.	\$.15
Hvy. No. 2, B.R.	.10

GRAPES, Continued

BLACK ROSE—Large jet-black table grape having tender flesh and a distinctive flavor. Heavy bearer.

BLACK SPANISH—Heavy and regular producer of small to medium size grapes in fair clusters. Popular for juice and jelly.

CARDINAL—An early dark red grape having excellent qualities. Medium clusters, large spherical berries.

EDNA—Loose large clusters of good size oval white grapes. Normally seeded with moderately tough skin. Because of excellent foliage and good growing habits is ideal for arbor plantings. A good white table grape.

RIBIER—Large black fruit. Medium sized clusters produced in abundance. Good keeping qualities.

THOMPSON SEEDLESS—Large clusters of medium size light golden seedless grapes. Excellent sweet flavor.

All six varieties of grapes listed in this column are priced at:

Hvy. No. 1, B.R.....	\$.20
Hvy. No. 2, B.R.....	.15

PLEASE NOTE: Grapes are tied in bundles of ten. On either No. 1 or No. 2 grades please order in multiples of ten only.

Concord Grapes

Edna Grapes

FLOWERING CRABS

Very popular small ornamental shade and flowering trees producing tasty fruit as well. They are prized chiefly for their spectacular spring blossoms but their culinary and landscaping uses are myriad. They are hardy in all sections, easy to grow.

ELEYI—Single purple-red blossoms, attractive reddish foliage in the spring. It is covered with dark wine-red crab apples in the fall.

HOPA—In the spring it is completely covered with fragrant bright pink flowers. Later, clusters of small, red crab apples gleam brightly along its branches. This fruit makes very fine jelly.

SCHEIDECKERI—The double blossoms are a light pink blended with white. Vigorous upright grower clothed with dark green foliage. Bright yellow crab apples produced in abundance. A handsome and attractive variety.

3 to 4 ft. B.R.....	\$.75
4 to 5 ft. B.R.....	.90
5 to 6 ft. B.R.....	1.00
6 to 8 ft. B.R.....	1.25

JUJUBE

Graceful shrub or small tree. Very ornamental, growing easily in almost all areas. Matures small brown fruits in the fall similar to dates but larger. They are sweet and crisp when eaten fresh or make excellent jam and are a delicious confection when candied. Bears best where summer heat is high.

15 to 18 in. B&B.....	\$1.25
18 to 24 in. B&B.....	1.50
24 to 30 in. B&B.....	2.00
30 to 36 in. B&B.....	2.50

FLOWERING PEACHES

An outstanding ornamental tree valued for its clouds of double blossoms in the early spring. Each tree becomes a mass of color before leafing out. Quite hardy, excellent for landscape use. The following sorts are available:

PEPPERMINT—Attractive variegated red and white blossoms.

PINK—Double rosy-pink blossoms produced in abundant profusion.

RED—Clouds of large double red blooms as showy as any flowering tree.

WHITE—Snowy white double flowers adorn this variety in a charming white cloud.

5 to 6 ft. B.R.....\$1.00

Pictured at right is our special nursery tractor. It is used to dig bare-root stock; by the row or individual selection. Also invaluable is the balling attachment with which it is rigged in the picture. All attachments for this digger are fully controlled by hydraulic rams operated conveniently from the driver's seat.

NECTARINES

GOLD MINE—Large white freestone, attractively red blushed. Juicy white flesh. Ripens in early August.

MABEL—Medium sized yellow fleshed free-stone variety. Deep red blush. Flesh is clear yellow, fine texture and delicious flavor. Late July.

3 to 4 ft. B.R.....	\$.50
4 to 5 ft. B.R.....	.60
5 to 6 ft. B.R.....	.75
6 to 8 ft. B.R.....	.90

PEACHES

We offer an excellent stock of trees established on Lovell Root stocks. The successful growing of Peaches depends upon selection of the proper varieties for a given section. Included in our production are those varieties that will do well in mild winter areas. Ripening dates are average for our area.

BABCOCK—An early white fleshed freestone with red blush. It's best attribute is that it requires little winter chilling, making it a consistent bearer in southern areas. Mid-June.

CHILOW—Large yellow cling with slight red tinge on cheek. One of the finest eating Peaches having unsurpassed flavor and fragrance. An outstanding variety doing well in all areas. Early July.

DIXIE RED—Yellow clingstone with red blush. Flesh firm, matures early, attractive appearance, early July.

EARLY ELBERTA—Ripens about two weeks before Elberta. Medium sized fruit, yellow flesh of fine texture and good flavor. Early July.

ELBERTA—Large yellow freestone. Probably the best known and widest distributed peach in the country. For maximum production, however, it must have a longer dormancy period. Should be planted only as far south as the Texas hill country. Mid-July.

INDIAN CLING—Large red-fleshed, red-skinned peach. Fine eating right off the tree. Cling-stone. Good pickling type. Early July.

J. H. HALE—Large freestone, flesh yellow of high quality. Good shipper and home use variety. Ripens mid-July.

KEYSTONE—The earliest ripening yellow-fleshed freestone in our orchards. Attractive golden fruit with a red blush. Mid-June.

LEONA—Large yellow freestone with red cheek. Without doubt the finest yellow freestone peach available for South Texas planting. Succeeds elsewhere as well. Early July.

LUTTICHAU—Medium size, sweet, honey type. White freestone with pink cheek. Surest bearer withstanding late frosts without serious crop loss. Every home orchard should have one of this variety. Does well in warm areas. Mid-June.

PEACHES—Continued Next Page

PEACHES, Continued from preceeding page:

MAYFLOWER—Red-blushed white, semi-free-stone. A favorite for early market and home use. A widely known and distributed variety. Mid-May.

MELBA—White freestone with red colored cheeks. Distinguished by regular bearing and high quality of fruit. A good variety for southern areas. Late June.

NECTAR—White fleshed freestone of large size. Firm, juicy, fine textured. Fine flavor and distinctive aroma. Early July.

PALLAS—Medium sized white freestone of the Honey type. Regular heavy bearer. Another outstanding variety for South Texas planting. Delicious sweet flavor. Late June.

3 to 4 ft. B.R.....	\$.50
4 to 5 ft. B.R.....	.60
5 to 6 ft. B.R.....	.75
6 to 8 ft. B.R.....	.90

Chilow Peach

DWARF PEACHES

The following listed varieties of peaches are available as dwarf stock. Fruit produced is the same as that of the standard tree. For description of each variety check the listing under peaches.

Chilow
Dixie Red
Elberta
J. H. Hale
Luttichau
Pallas

All Dwarf Peaches are priced at:

2 to 3 ft. B.R.....	\$.75
3 to 4 ft. B.R.....	1.00
4 to 5 ft. B.R.....	1.25

PLEASE NOTE: All fruit stock prices are based on a minimum of ten of a kind and size. When ordering please order in multiples of ten as all fruit stocks are tied ten per bundle.

PEARS

Very popular fruit tree of the genus *Pyrus*. Pears, as a rule, do not come into bearing until several years after planting. They live longer than any other fruit tree, however. We offer an excellent stock of the following varieties:

BARTLETT—Large smooth yellow fruit with sweet white flesh. One of the best known and most popular pears.

DOUGLAS—Excellent soft pear, ripening early. The fact that it bears at an early age adds to its outstanding qualities.

GARBER—Vigorous growing, reliable pear of good eating qualities. Fruit large and firm.

IMPROVED KIEFFER—A seedling sport of Kieffer, ripening earlier with softer flesh of good eating quality. Seems as vigorous as its parent. Good sized fruit produced in abundance.

KIEFFER—The old standby, growing and producing in almost all areas. Hardy, robust tree. Large hard fruit, cooking type, but good quality when well ripened. Fruit an attractive yellow.

LECONTE—Attractive bell shaped fruit, creamy yellow with slight blush. An excellent variety bearing consistently good medium-soft fruit. Vigorous, upright growing tree.

MONTERREY—A new pear of our own introduction showing great promise. Vigorous, thrifty growing tree. Fruit has a distinctive apple shape. Soft, well flavored yet the flesh has a desirable crispness. Seems to do very well under adverse conditions.

ORIENT—Large size fruit of good quality. Smooth shiny golden skin, tantalizing aroma and rich flavor. Vigorous, heavy bearer.

PINEAPPLE—Medium sized fruit of good quality. Heavy producer, firm and keeps well.

3 to 4 ft. B.R.....	\$.50
4 to 5 ft. B.R.....	.60
5 to 6 ft. B.R.....	.75
6 to 8 ft. B.R.....	.90

We also offer Pear trees balled and burlapped. These are growing in the nursery spaced out for balling and are well branched.

Available in two varieties:

LECONTE KIEFFER

5 to 6 ft. B&B.....	\$1.10
6 to 8 ft. B&B.....	1.35
6 to 8 ft. B&B (100 lots).....	1.25
1 to 1¼ in. Caliper B&B.....	1.75
1¼ to 1½ in. Caliper B&B.....	2.50
1½ to 1¾ in. Caliper B&B.....	3.00

PLUMS

Plums often bear the second year after planting. They are an ideal fruit for jelly, canning, preserving, and are most delicious for eating fresh. All of our plum trees are established on the finest rootstock, *Prunus Marianna*.

Months of ripening given are the average in our area. Ripening dates will vary from several days to several weeks, depending on weather conditions and geographical location.

ALLRED—Outstanding, colorful red foliage all season. Good sized, deep red fruits of good quality. Unsurpassed as a beautiful and colorful landscape tree.

BLUE DAMSON—Medium sized oval fruit. Dark purple in color, freestone, fruit tart.

BRUCE—Well known early ripening red plum. Medium sized fruit of a bright red coloring, reddish-amber flesh. Good market as well as home use variety. Consistent bearing adds to its popularity. June.

BURBANK—Large, purplish-red plum with yellow, delicious flesh. A very prolific variety. Excellent eating and commercial plum. Late June.

EXCELSIOR—A purplish-red colored plum with greenish flesh. One of the best for planting in South Texas and the Gulf Coast area. Late June.

GOLD—Good vigorous growing tree producing clear, golden yellow plums in abundance. Crisp skin, juicy and sweet. June.

(Plums Continued on Next Page)

Santa Rosa Plum

PERSIMMONS

Unfortunately we have a very limited quantity of these fine fruit trees available this year. They make very attractive trees with large, dark green leaves which turn to lovely colors in the fall. The big, orange-red fruit continues to hang on the tree until they are soft ripe.

TANI NASHI—Bright orange seedless fruit of good quality. Bears young and produces heavily.

TAMOPAN—A vigorous large growing variety. Near seedless fruit abundantly produced. Large bright orange fruits are unique in having a distinct wrinkle around their sides. An outstanding variety.

3 to 4 ft. B.R.....	\$1.25
4 to 5 ft. B.R.....	1.50
5 to 6 ft. B.R.....	2.00

PLUMS, continued:

MARIPOSA—Large purple red fruit with blood red flesh. A variety showing promise for our Southwest area. Ripens some three weeks after Santa Rosa. July.

MEREDITH—New variety doing extremely well in the Southwest. Fruit large, nearly round. Greenish-red skin with yellow-amber flesh. Tender, juicy, very sweet and keeps well. An excellent commercial and home variety. Ripens about two weeks after Bruce. June.

METHLEY—One of the better varieties. Strong, vigorous growing tree. Medium to large dark red fruit. Flesh amber tinged with red. Good shipper. Ripens just before Santa Rosa. June.

SANTA ROSA—Big, purplish crimson fruit. Delicious amber colored flesh, crimson and pink veined. Tops in quality for market or home use. Bears heavily each year. June.

SAPA—Sometimes classed as a plum-cherry. Not as large growing as most plums but a bountiful producer of rich, dark purplish-red cherry-like plums of good quality. June.

SATSUMA—The well known Japanese Blood Plum introduced by Luther Burbank. Large, round dark red fruit. Firm, juicy, well flavored. July.

STRANGER—A prolific variety somewhat similar to Bruce in appearance. Medium sized, firm, dark red fruit with amber flesh. June.

WICKSON—One of the finest of the yellow plums. Large fruits, nearly round overlaid with pinkish cast. Flesh firm, pit small. Fruit keeps excellently. Vigorous, upright growing tree. Ripens July.

3 to 4 ft. B.R.	\$.50
4 to 5 ft. B.R.	.60
5 to 6 ft. B.R.	.75
6 to 8 ft. B.R.	.90

POMEGRANATE

WONDERFUL—A fine shrub that should be more widely planted. Upright grower with attractive green foliage. Superb for hedges and ideal for individual plantings. It is thornless, producing double carnation-like blossoms of orange-red about three inches across. Large pale green fruits, blushed red, flesh rich red in color, juicy with sweet flavor. A highly ornamental plant.

5 Gallon	\$1.25
18 to 24 in. B.R.	.30

PATENTED FRUIT STOCKS

We Offer a Good Selection of Armstrong Developed Fruit Varieties. These Varieties have been chosen Carefully to Offer with our other Fruit Stocks because of their Superior Qualities. Patent Labels Supplied with each Tree.

APPLE, PETTINGILL - Plant Patent No. 1352

Fruit very large, rounded and beautifully colored. Deep red with scattered flecks and stripes of yellow. Fine appearance, excellent quality and ability to bear consistently in southern areas should make this one a popular variety.

Retail, each.....\$3.00

★ APRICOT, NUGGET - Plant Patent No. 1651

Very productive and a regular bearer. Its chilling requirement indicates that it will bear well under widely varying conditions. Large, vigorous growing tree. Large fruit with beautiful color: Deep rich orange with a very bright red blush. Mild, pleasing flavor. A promising variety for commercial as well as home planting.

Retail, each.....\$3.50

★ NECTARINE PANAMINT - Plant Patent No. 1100

Big round fruits with shining skin of a bright Scarlet. Yellow fleshed freestone loaded with a sweet, yet exhilarating flavor. Chilling requirement about the same as Babcock Peach. Ripens early July.

Retail, each.....\$3.50

NECTARINE, SILVER LODGE - Plant Patent No. 1023

Large size, brilliant color. A white-fleshed freestone of fine quality, rich flavor and firmness. A good commercial variety. Ripens late June.

Retail, each.....\$3.50

PEACH, BOBOLINK - Plant Patent No. 1150

Big, attractive yellow-fleshed, outstanding for quality and flavor. Abundant crops on a vigorous growing tree. Requires less chilling than Elberta. Ripens in Mid-July.

Retail, each.....\$3.50

★ PEACH, EARLIGOLD - Plant Patent No. 1883

The earliest ripening yellow-fleshed peach yet introduced! A rounded semi-freestone attractively colored with rich red marbling over a creamy yellow skin. Very low chilling requirements indicate it's ability to produce in mild winter areas. Ripens in mid-May.

Retail, each.....\$3.50

PEACH, FLAMINGO - Plant Patent No. 661

A big, plump peach, heavily marbled with crimson. The tree is semi-dwarf in habit of growth but the fruit is king-size in both quality and flavor. Low chilling requirement. Freestone, ripens late July.

Retail, each.....\$3.00

★ PEACH, JUNE GOLD - Plant Patent No. 1884

Large fruit, heavily blushed with red. The yellow flesh is firm, frees readily from the pit and has a good tangy flavor. Chilling requirement comparable to Babcock. A good variety for warm-wintered areas. Ripens early June.

Retail, each.....\$3.50

PEACH, SPRINGTIME - Plant Patent No. 1268

A white-fleshed semi-freestone, sweet, yet with enough peach tang for enjoyable eating. Creamy skin covered with a red blush. Vigorous tree, heavy bearer, low chilling requirement. Ripens in Mid-May.

Retail, each.....\$3.50

★ FRUITING-FLOWERING PEACH, SATURN

Plant Patent No. 1485

Masses of big double pink blooms as showy as any flowering peach. The blooms are followed by a big crop of yellow-fleshed peaches. They are freestone, juicy and flavorful, ripening in July.

Retail, each.....\$3.50

PRICE SCHEDULE ON PATENTED VARIETIES:

(Bare-Root)

Size:		3/4'	4/5'	5/6'	6/8'
Per tree:	1 to 9 —	\$1.75	\$1.80	\$1.90	\$2.00
	10 to 49 —	1.60	1.65	1.75	1.85
	50 up —	1.55	1.60	1.70	1.80

Above prices apply to all varieties that are based on a suggested retail price of \$3.50 each.

FLOWERING PEACH, RANCHO REDLEAF,

Plant Patent No. 1440

A most attractive variety having clouds of beautiful double flowers in early Spring, followed with outstanding colorful red foliage all during the growing season.

Retail, each.....\$3.50

PEACH, VALIGOLD - Plant Patent No. 1649

Large fruit with good color and high quality. Golden yellow flesh is firm, yet melting and juicy, with a rich flavor. Chilling requirement less than Elberta. Ripens early July.

Retail, each.....\$3.50

★ PLUM, SIERRA - Plant Patent No. 1482

Very vigorous upright habit of growth. Chilling requirements less than that of Santa Rosa. Ripens about two weeks later. Regular producer of medium to heavy crops. Large oval shaped fruit, medium to dark red when ripe. Flesh is juicy yet firm, attractive amber in color. Test plantings indicate there is no finer plum than Sierra.

Retail, each.....\$3.50

Size:		3/4'	4/5'	5/6'	6/8'
Per tree:	1 to 9 —	\$1.45	\$1.50	\$1.60	\$1.70
	10 to 49 —	1.30	1.35	1.45	1.55
	50 up —	1.25	1.30	1.40	1.50

Above prices apply to all varieties that are based on a suggested retail price of \$3.00 each.

These varieties are grown and sold under license from the patent owner.

★ All varieties marked with a star will be supplied with full color picture tags.

NUT STOCKS

Produced in a Good Selection of Varieties on the Finest Root Stock.

Proper Care during Growing Season - Proper Care in Digging and Shipping Assures you of the best that can be had.

WALNUTS

THOMAS BLACK—Large thin shelled nut with delicious plump kernels easily removed. Produces nuts at a very young age, usually within two or three years after planting. Adaptable to a wide area, growing and bearing in all sections.

Very hardy, fast growing, disease resistant. Thomas Black makes an ideal shade tree, clothed with attractive dark green leaves.

We offer a large supply of especially nice quality trees this year. They have been carefully grown under ideal conditions and should please the most discriminating.

1½ in. Caliper	B.R.	4.00

GOODWIN CARPATHIAN ENGLISH

A new hardy strain of English walnut discovered in the Carpathian Mountains of Poland. Trial plantings in various parts of the country indicate its ability to withstand severe cold, as well as hot, dry conditions of the South and Southwest. The tree will bear young and produce heavily. The quality of the nut is excellent.

It is our pleasure to offer a selected, superior strain of this new walnut. It grows into a beautiful specimen tree. This is a must item for your sales yard.

	Bare-root	Packed

For your information we are listing below a comparison of various pecan varieties. The first column of figures indicate the average number of nuts per pound. The second column indicates the percentage of kernel produced under average conditions:

Variety	Nuts Per Pound	Percent Kernel
Burkett	40	55%
Delmas	45	48%
Desirable	41	55%
Moore	67	49%
Stuart	55	44%
Success	37	52%
Western Schley	59	60%

Descriptions and Prices of Pecans
may be found on next page.

Black Walnuts

The progress that we have made in the past is due entirely to you—our customer, and we tender our very sincere thank you. We pledge ourselves to continue giving you the very best in service and value, realizing that future progress still lies with you—our customer.

PECANS

BURKETT—Good sized round nut, reasonably thin shelled. Plump kernel of excellent quality and flavor. Better adapted to western areas.

DELMAS—A large, rather thick shelled productive variety of very sturdy growth. The tree itself is very symmetrical, excellent for individual planting. Good quality nuts and kernels.

DESIRABLE—Vigorous grower, very resistant to disease. Good sized, soft shelled nuts.

GARNER—Good size oblong nut, thin shelled with plump kernel of good quality. Better adapted for western area planting.

MAHAN—One of the most widely planted and distinct varieties. Large, long nut, thin shelled. Frequently not filling well in some areas, but of excellent quality when it does. Healthy, vigorous tree which makes a beautiful shade specimen. Upright grower, large dark green foliage.

MOORE—A medium sized, rather thin-shelled nut of excellent quality. Fast growing, highly productive variety. One of the better commercial varieties for eastern planting.

STUART—Popular, widely planted variety. Large nuts, soft shelled. A good producer and grower.

SUCCESS—Always in demand because of its excellent flavor, large plump kernels, reasonably thin-shelled oblong nuts. Regular, heavy bearing adds to its popularity. Vigorous growing attractive tree.

WESTERN SCHLEY—Large, long nut, cracking well, with plump kernel of high quality. Tree a vigorous grower, very productive, doing well over a wide range.

Grown in a good rich loam soil with no fertilization of any kind, plus an abundance of irrigation water properly applied produces a pecan tree of unexcelled quality. Due to proper digging, storing and handling they transplant with an unusually high degree of success.

Our trees are available either bare-root or individually packed. The pack consists of a large quantity of packing material, sufficient to cover the entire root system without trimming it back and wrapped in new burlap. They will stay in excellent shape in the sales yard with an occasional watering.

Prices are as follows:

Size	Bare-root	Packed
4 to 5 ft.....	\$2.25	\$ 3.00
5 to 6 ft.....	2.75	3.50
6 to 7 ft.....	3.25	4.00

2 in. Caliper.....	8.00	10.00

PATENTED ROSES

*These Varieties are Grown and Sold Under License
From the Patent Owner*

GRANDIFLORAS:

BUCCANEER—Plant Patent No. 1119

Long, slender, tapering buds that show no color other than a clear sunshiny yellow. The opening flowers are cup shaped, having a moderate fragrance, and holding their brilliant coloring well.

Retail, each.....\$2.50; 3 or more, \$2.20 each.

MONTEZUMA—Plant Patent No. 1383

A rich scarlet-orange that is different—unlike the color of any other Rose. A profusion of shapely buds, big, showy, long lasting blooms on a vigorous plant.

Retail, each.....\$2.75; 3 or more \$2.40 each.

PINK PARFAIT—Plant Patent No. 1904

All-America winner for 1961. The color softly blends pastel shades of pink. In the lavish Grandiflora manner, it produces perfect buds and lovely blooms in amazing numbers. Graceful high centered blooms fine for cutting.

Retail, each.....\$3.00; 3 or more \$2.65 each.

ROUNDELAY—Plant Patent No. 1280

Beautifully formed deep red buds opening into a neat, full, high centered bloom of vivid glowing red. Its vigorous growth and continual blooming habit are hard to beat.

Retail, each.....\$2.50; 3 or more, \$2.20 each.

FLORIBUNDAS:

CHINA DOLL—Plant Patent No. 678

A bright cheerful pink which ages well and the old flowers drop off cleanly. The plant is very dwarf, almost thornless and with its glossy mildew-resistant foliage is perfect for a low hedge or border.

Retail, each.....\$2.25; 3 or more \$2.00 each;
25 or more \$1.70 each.

CIRCUS—Plant Patent No. 1382

A gay show of red, yellow, orange, buff and pink, all with variation. Perfect flower form, long lasting substance and a beautiful medium size plant.

Retail, each.....\$2.50; 3 or more \$2.20 each;
25 or more \$1.90 each.

EMBERS—Plant Patent No. 1178

Brilliant, semi-double scarlet blooms borne in profusion. Rounded, moderately spreading, vigorous grower.

Retail, each.....\$2.00; 3 or more \$1.75 each;
25 or more \$1.50 each.

FANFARE—Plant Patent No. 1385

Fine, vigorous tall growing plant. Becomes a mass of salmon pink as large clusters of double flowers envelope the plant.

Retail, each.....\$2.00; 3 or more \$1.75 each;
25 or more \$1.50 each.

Patented Roses:

FLORIBUNDAS—Continued

FROLIC—Plant Patent No. 1179

Flowers are borne in large clusters with each perfect bud opening to a double bloom of clear bright pink. Growing 2 to 3 feet in height, the plant is extremely vigorous.

Retail, each.....\$2.00; 3 or more \$1.75 each;
25 or more \$1.50 each.

HEATWAVE—Plant Patent No. 1786

Tall vigorous growing Floribunda. Produces hundreds of buds and blooms in a fiery chinese red. Buds and blooms are perfect Rose form, marvelous for cutting.

Retail, each.....\$2.75; 3 or more \$2.40 each;
25 or more \$2.05 each.

IRENE OF DENMARK—Plant Patent No. 889

This outstanding white is a graceful, vigorous, hardy plant that produces quantities of pure, delightful flowers. A low upright, bushy grower. Double flowers have a nice fragrance.

Retail, each.....\$1.75; 3 or more \$1.55 each;
25 or more \$1.40 each.

LAVENDER GIRL—Plant Patent No. 1672

This is the only lavender rose which holds its rich color even in summer heat. Low-growing, compact bush produces flowers generously. Rosy-purple buds opening to a rich lavender.

Retail, each.....\$3.00; 3 or more \$2.65 each.

MOONSPRITE—Plant Patent No. 1450

A low to medium size plant, beautifully foliaged, free blooming. The flowers are many petaled, high centered, and they shade from pale gold to snowy white.

Retail, each.....\$2.00; 3 or more \$1.75 each;
25 or more \$1.50 each.

PINKIE—Plant Patent No. 712

Low growing bushy plant loaded throughout the season with slender little pink buds, perfect in form, opening to fully double two inch flowers. Marvelous for a low hedge or border.

Retail, each.....\$2.00; 3 or more \$1.75 each;
25 or more \$1.50 each.

REDCAP—Plant Patent No. 1292

Both the clusters and individual blooms are much larger than usual for a floribunda. The wavy petaled flowers open a bright vermilion deepening to a rich velvety crimson.

Retail, each.....\$2.00; 3 or more \$1.75 each;
25 or more \$1.50 each.

STARLET—Plant Patent No. 1694

A good floribunda with flowers of clean, clear yellow which grows vigorously, blooms bounteously and finishes well. Appealing features are its fine color, the perfect form of each little bud and double bloom and its attractive low growing habit.

Retail, each.....\$2.25; 3 or more \$2.00 each;
25 or more \$1.70 each.

VALENTINE—Plant Patent No. 1029

One of the brightest Floribundas you'll find. Flowers of glowing red appearing in high clusters which entirely envelope the low growing compact bush.

Retail, each.....\$2.00; 3 or more \$1.75 each;
25 or more \$1.50 each.

Patented Roses:

HYBRID TEAS:

AZTEC—Plant Patent No. 1648

Amazing brilliance, size and perfection. A flame of color, being orange-scarlet. Big exhibition type blooms with a pleasant fragrance.
Retail, each.....\$2.75; 3 or more \$2.40 each.

BRAVO—Plant Patent No. 983

Sparkling cardinal red which holds its color extremely well. Plump buds open to big, broad flowers with wavy petals, perfectly arranged.
Retail, each.....\$2.25; 3 or more \$2.00 each.

CHIEF SEATTLE—Plant Patent No. 1030

The buds and flowers are usually perfect in form and are a rich buff-apricot shading to old gold.
Retail, each.....\$2.25; 3 or more \$2.00 each.

CONFIDENCE—Plant Patent No. 1192

A lovely blending of peach and pink. Its huge petals form a big, high-centered flower that's truly magnificent. A tall, stately plant that is broad, well proportioned and upright growing.
Retail, each.....\$2.50; 3 or more \$2.20 each.

DR. DEBAT—Plant Patent No. 961

Tall and vigorous grower. Deep, rich pink blossoms. Its color, size and excellent form are a combination of qualities hard to equal.
Retail, each.....\$2.00; 3 or more \$1.75 each.

FANDANGO—Plant Patent No. 894

The attractive buds, deep scarlet in color, open to lovely, wavy petaled blooms of a bright chinese red.
Retail, each.....\$2.25; 3 or more \$2.00 each.

FIRST LOVE—Plant Patent No. 921

Exquisitely graceful and distinctive. The long tapering buds in a delightful shade of pale dawn pink make this the "First Love" in a great many gardens.

Retail, each.....\$2.25; 3 or more \$2.00 each.

FORTY-NINER—Plant Patent No. 792

Inside, the petals are a vivid orient red, while outside, they are chrome to straw yellow.

Retail, each.....\$2.50; 3 or more \$2.20 each.

GARDEN PARTY—Plant Patent No. 1814

All-America winner for 1960. Big, fine blooms are a combination of soft pastels, rich ivory in the center giving way to creamy tones and finally to a flush of delicate pink. Handsome foliage adds to its attractiveness.

Retail, each.....\$3.00; 3 or more \$2.65 each.

HAPPINESS—Plant Patent No. 911

Brilliant red blossoms, very firm and distinctive form. Plants send up vigorous long stems, fine for cutting.

Retail, each.....\$2.00; 3 or more \$1.75 each.

HELEN TRAUBEL—Plant Patent No. 1028

Vigorous grower with beautiful foliage producing handsome big buds and flowers of peach-pink to luminous apricot.

Retail, each.....\$2.75; 3 or more \$2.40 each.

We wish each and everyone of you a very successful season and are looking forward to the opportunity of serving you in your needs. If you need some GOOD Rose Bushes send us a trial order. We believe you will be pleased.

Patented Roses:

HYBRID TEAS—Continued

LA JOLLA—Plant Patent No. 1103

At the outer edges, the fluted petals are delicately flushed with soft pink, showing a darker veining. Each petal, as it opens, recurves gracefully from the cream and gold colored heart of the blossom.

Retail, each.....\$2.50; 3 or more \$2.20 each.

LOVE SONG—Plant Patent No. 1360

One of the best bi-color roses. A beautiful watermelon pink with shining yellow reverse. The splendid flowers are fragrant, and they are plentiful on the vigorous, sturdy bush.

Retail, each.....\$2.50; 3 or more \$2.20 each.

MIDNIGHT—Plant Patent No. 1542

A deep dark red-black rose, vigorous plant, mildew resistant. Perfectly formed, long slender buds, graceful long lasting blooms. A spice-like fragrance.

Retail, each.....\$2.75; 3 or more \$2.40 each.

MOJAVE—Plant Patent No. 1176

Long stemmed beautiful tapering buds which open to big, pleasantly fragrant, richly colored flowers. Glowing orange with overtones of scarlet and vermilion.

Retail, each.....\$2.75; 3 or more \$2.40 each.

NOCTURNE—Plant Patent No. 713

Perfectly formed deep velvety crimson with deeper maroon hues. Vigorous, showy plant. Excellent cutting qualities.

Retail, each.....\$2.25; 3 or more \$2.00 each.

PINK PEACE—Plant Patent No. 1759

A most vigorous plant which grows tall and upright, its strong canes bearing a profusion of rich green foliage. A giant flower in a solid pink color that does not fade. In addition it is deliciously fragrant.

Retail, each.....\$3.00; 3 or more \$2.65 each.

PRESIDENT EISENHOWER—Plant Patent No. 1217

One of the best of the newer reds. Big, richly attractive blooms on sturdy, upright canes.

Retail, each.....\$2.25; 3 or more \$2.00 each.

SUZON LOTTHE—Plant Patent No. 934

Something of a rarity where coloring is concerned. Pearl pink with a satin smooth texture. Fine form, wonderful fragrance. Vigorous heavy growing, well foliated plant.

Retail, each.....\$2.00; 3 or more \$1.75 each.

WHITE KNIGHT—Plant Patent No. 1359

Big, beautiful flowers in both bud and bloom. Non-fading pure white of satiny texture. Free blooming and long lasting. Fine green foliage, hardy, disease resistant.

Retail, each.....\$2.75; 3 or more \$2.40 each.

All Rose Bushes are machine dug assuring excellent root systems. They are NOT dug until sufficiently dormant and then carefully handled to insure maximum vigor. Grown Right — Dug Right — Shipped Right; Your Assurance of Better Quality — Better Value.

Patented Roses:

CLIMBERS:

CLI. FORTY-NINER—Plant Patent No. 1094

The big well shaped buds and flowers with their contrasting colors have been admired from coast to coast.

Retail, each.....\$2.50; 3 or more \$2.20 each.

CLI. PINKIE—Plant Patent No. 1076

The same perfect little buds and double flowers that characterizes the bush Pinkie. Produces cluster after cluster of dainty flowers from spring until fall.

Retail, each.....\$2.75; 3 or more \$2.40 each.

CLI. NOCTURNE—Plant Patent No. 1088

Exquisitely formed, ideal cutting roses of deep velvety crimson with deeper pools of maroon. A vigorous grower.

Retail, each.....\$2.50; 3 or more \$2.20 each.

HIGH NOON—Plant Patent No. 704

Brilliant sunshiny yellow that stays rich and unfading. Does not quit after the spring bloom but continues to produce a wealth of brilliant buds and flowers throughout the rest of the season.

Retail, each.....\$2.50; 3 or more \$2.20 each.

Please Read Before Ordering:

LOCATION

Our Nursery is located 12 miles southwest of San Antonio, just off the Pan-American Highway. Visit us. The welcome mat is always out.

DELIVERY

Free delivery in the San Antonio area. On more distant deliveries we will be glad to deliver on our own trucks on a net cost basis, another of our services to the retail nurseryman. Consult Page 86 for your exact delivery costs.

TERMS

Our regular terms are cash. No exceptions. A thirty-day charge account may be opened by submitting references and allowing time for them to be investigated. All such accounts are due and payable by the 10th of month following date of delivery.

All accounts 60 days past due will be charged 10% interest per annum to cover additional mailing, handling and bookkeeping costs.

CLAIMS

Claims must be made within ten days after receipt of goods. If an error has been made by us, please notify us promptly and we will do everything possible to correct the matter.

DATED OCTOBER 15, 1961

Prices subject to change without notice. This list cancels all previous quotations.

NON-WARRANTY—We give no warranty, expressed or implied, the purchaser assuming all risk and responsibility of transportation, growth, planting, life of stock or any other matter on any stock we sell. We send out good stock, carefully grown and packed but cannot control conditions after it leaves our care. We exercise the greatest care to keep our stock true to name and are willing to replace on proper proof any stock that may prove otherwise, or refund the amount paid us for such stock, but it is mutually agreed that we shall not at any time be liable for any greater amount.

PRICES

All prices are at our Nursery. Positively no discounts allowed. It is understood that all orders accepted are subject to stock at time of delivery. Prices in this catalog are based on a minimum of ten of a kind and size. An advance of twenty percent will be invoiced on quantities less than this minimum.

FUTURE ORDERS

Orders booked in advance for fall and winter delivery may be revised as needed on January 1st. All future orders undelivered by February 1st become null and void unless further definite instructions for delivery are made.

TELEPHONE

Ask your long distance operator for Jarratt, Texas (Toll station out of San Antonio). Telephone number OSborne 5-3461.

TELEGRAPH

Address all telegrams and night letters to the Aldridge Nursery in care of the San Antonio, Texas, Western Union Office.

MAIL
